

## Kentish Town Residence

Kentish Town Residence is located between Camden Town and Kentish Town and it is a great location for students as both areas are very vibrant, touristic and colourful.

Camden Town has so much to offer with a number of shops, amazing restaurants with different cuisines, food and vintage markets. There is also a canal nearby the residence, where students can have a relaxing walk after their classes. But the canal is not the only option for a nice walk, there are also two lovely parks only 15min walking distance from there; Primrose Hill and Regent's Park. Students can enjoy these large green spaces, go for a run or even have a picnic with a fascinating view of London.

In Kentish Town you can also visit the Jewish Museum or enjoy a boat tour and water sports in the canal. On a hot day you can also go to Hampstead Heath Park and lay around the swimming ponds (or even dive if you are brave enough) and get a proper break from your studies.

Moreover, our student accommodation has a lot of spacious social areas, a cinema and a disco, where students can make new friends and have some fun. There is also an on-site gym and it's free so there is no need to leave the building if you need to work out. Isn't it great that we collect everything you need in just one place?
