**English Class Timetable Notes:** Monday's class will give students the language they need for Tuesday's extended communicative task. Wednesday's class will give students the language they need for Thursday's extended communicative task. Friday's class will review and consolidate the language that students have studied during the week, through communicative games and activities.

The sample timetable provided is for B1/B2 students. At higher and lower levels, the timetable will be adapted to the English level of the students.
